

Technology Tuesdays

Week 2 – Tuesday July 22nd – 3:45–4:30pm

Topic: Twitter–get connected & learn! Find out how to use Twitter to enhance your teaching and connect with other educators across the globe. For those already on Twitter, find out how Twitter chats for education are run and how to get involved. Discover how you can use Twitter to help you meet the AITSL Teaching Standards.

Location: TLC Library

Week 3 - Tuesday July 29th - 3:45-4:30pm

Topic: QR codes - find out the benefits of using QR codes in the classroom, how to find pre-made QR codes that are ready to print and... make your own!

Location: TLC Library

Week 5- Tuesday August 12th - 3:45-4:30pm

Topic: Early Years Assessment - how to combine the Running Record calculator with Evernote to maintain up-to-date assessment data.

Location: 4B Classroom

Week 6- Tuesday August 19th - 3:45-4:30pm

Topic: ThingLink - making images come alive; fantastic for students (both primary and secondary) to use to present information. Please download the free ThingLink app before this session.

Location: 4B Classroom

Wk 7 - Tuesday August 26th - 3:45-5pm

Topic: Skype in the Classroom - why, how and when. Connecting in real time with others around the country and the globe.

Location: 4B Classroom
